

LTE Referral Campaign Terms and Conditions

- Existing LTE customers can refer a maximum of 5 potential customers.
- Potential customers must fall within Telkom's LTE coverage area to benefit from an LTE service.
- Once a person has been referred and indicates that he/she is interested in Telkom's LTE offer, normal credit vetting rules shall apply.
- Should two people refer the same potential client, he/she will be deemed as being referred by the person who filled in the lead form first.
- Free data will be allocated to both parties once the referred person has successfully entered into a contract with Telkom for an LTE service.
- Both parties will receive 10GB of on-net data for free for 3 months.
- Free data will be allocated on the 1st day of each month and will expire in 30 days.
