<b>Installation</b>	Included	Included	Included	Included	Included	Included
<b>Business line Rental</b>	Included	Included	Included	Included	Included	Included
<b>Lines Offered on:</b>	Analogue & Junction lines	Analogue & Junction lines	Analogue & Junction lines	Analogue, BRA & Junction lines	Analogue, BRA & Junction lines	Analogue, BRA & Junction lines
<b>Number of line rentals included</b>	2	3	4	2	3	4
<b>Inclusive minutes Telkom National to Telkom National</b>	400	600	800	800	1 200	1 600
<b>Inclusive minutes Telkom Fixed to Mobile</b>	400	600	800	600	900	1 200
<b>Total minutes</b>	800	1 200	1 600	1 400	2 100	2 800
<b>Out of bundle rate for Telkom National and Fix to Mobile calls (offered on per second billing)</b>	R0.79	R0.79	R0.79	R0.79	R 0.79	R 0.79
<b>Other Operator and specified International call rate (offered on pure per second billing)</b>	R 0.79	R 0.79	R 0.79	R 0.79	R 0.79	R 0.79

Telkom BizTalk 800 - 2800 Multiline is a range of calling plans which allows you to link between 2-4 lines to a plan, allowing more than 1 line to benefit from the call and line savings.

Once the inclusive minutes are depleted Telkom National and Telkom Fixed to Mobile calls will go out of bundle and will be rated at the out of bundle call rate of R0.79 per minute, billed on a per second basis. All calls to other operators and calls to specific International destinations will also be billed at R0.79 per minute, on a pure per second basis.

These groups of plans are available on an account level, which mean that all lines on the account, will benefit from the inclusive minutes and the out of bundle rate.

All Multiline plans are available on PBX Junction lines, and can therefore be used on a PBX

## ▶ **Telkom BizTalk SIP**

The Telkom BizTalk SIP subscription fee includes free:

- Single Analogue line and SIP installation (for new customers or services)
- Single analogue line rental
- SIP sessions rental
- Inclusive Telkom National (Local and Long Distance) and Fixed to Mobile minutes.
- A competitive out of bundle rate offered on pure per second billing
- A pure per second call rate for calls to other operators and specific international destinations

<b>Other Operator and specified International call rate (offered on pure per second billing)</b>	R 0.79	R 0.79	R 0.79	R 0.79	R 0.79

With the BizTalk SIP 800 to 3500 packages once the inclusive minutes are depleted calls will be charged at an out of bundle rate of R0.55 per minute (incl. VAT) on pure per second billing will apply.

Calls to other operators and calls to specific international destinations will also be billed at R0.79 per minute including VAT, on a pure per second basis.

*Note: The international destinations are subject to change at any time. Please visit the website for the current list of applicable International destinations.*

The BizTalk SIP plans are available on Hosted Business Telephony (HBT). HBT is a cloud based PBX solution that gives customers enhanced functionality and features. Customers can do away with the hassle of bulky on site equipment. The hosted PBX software upgrades are managed by Telkom and users have the ability to upscale and down scale as the company requires. You only pay for what you use. HBT offers a gateway to Unified Communications allowing your business to have a 24/7 presence

### ► **Telkom BizTalk SIP 30**

The Telkom BizTalk SIP 30 subscription fee includes free:

- SIP installation (for new customers or services)
- SIP sessions rental
- Inclusive Telkom National (Local and Long Distance) and Telkom Fixed to Mobile minutes.
- A competitive out of bundle rate offered on pure per second billing
- A pure per second call rate for calls to other operators and specific International destinations
