How to add web pages to a bookmark folder on MS Internet Explorer

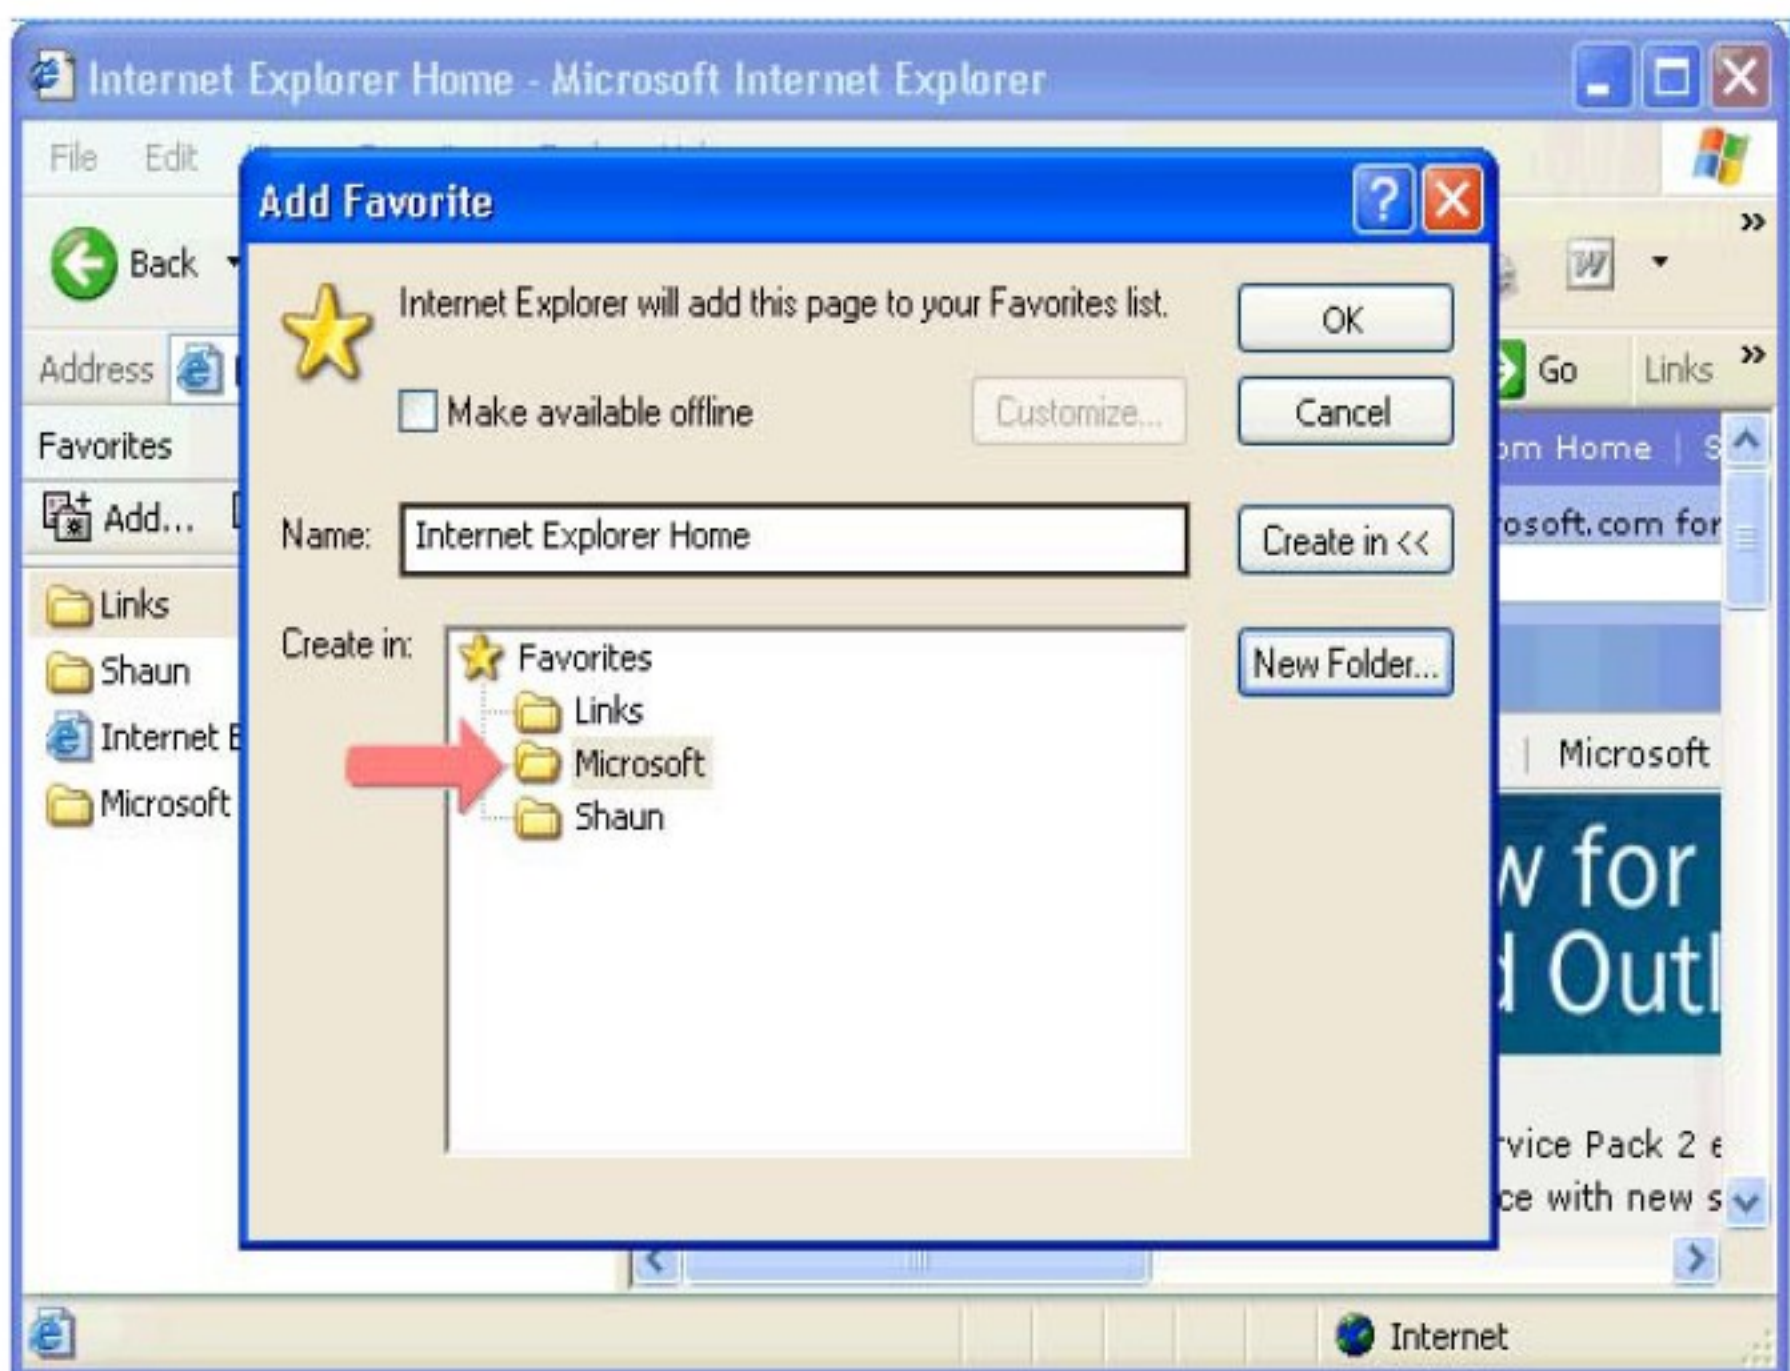

**Telkom**

# MS Internet Explorer

## Add web pages to a bookmark folder

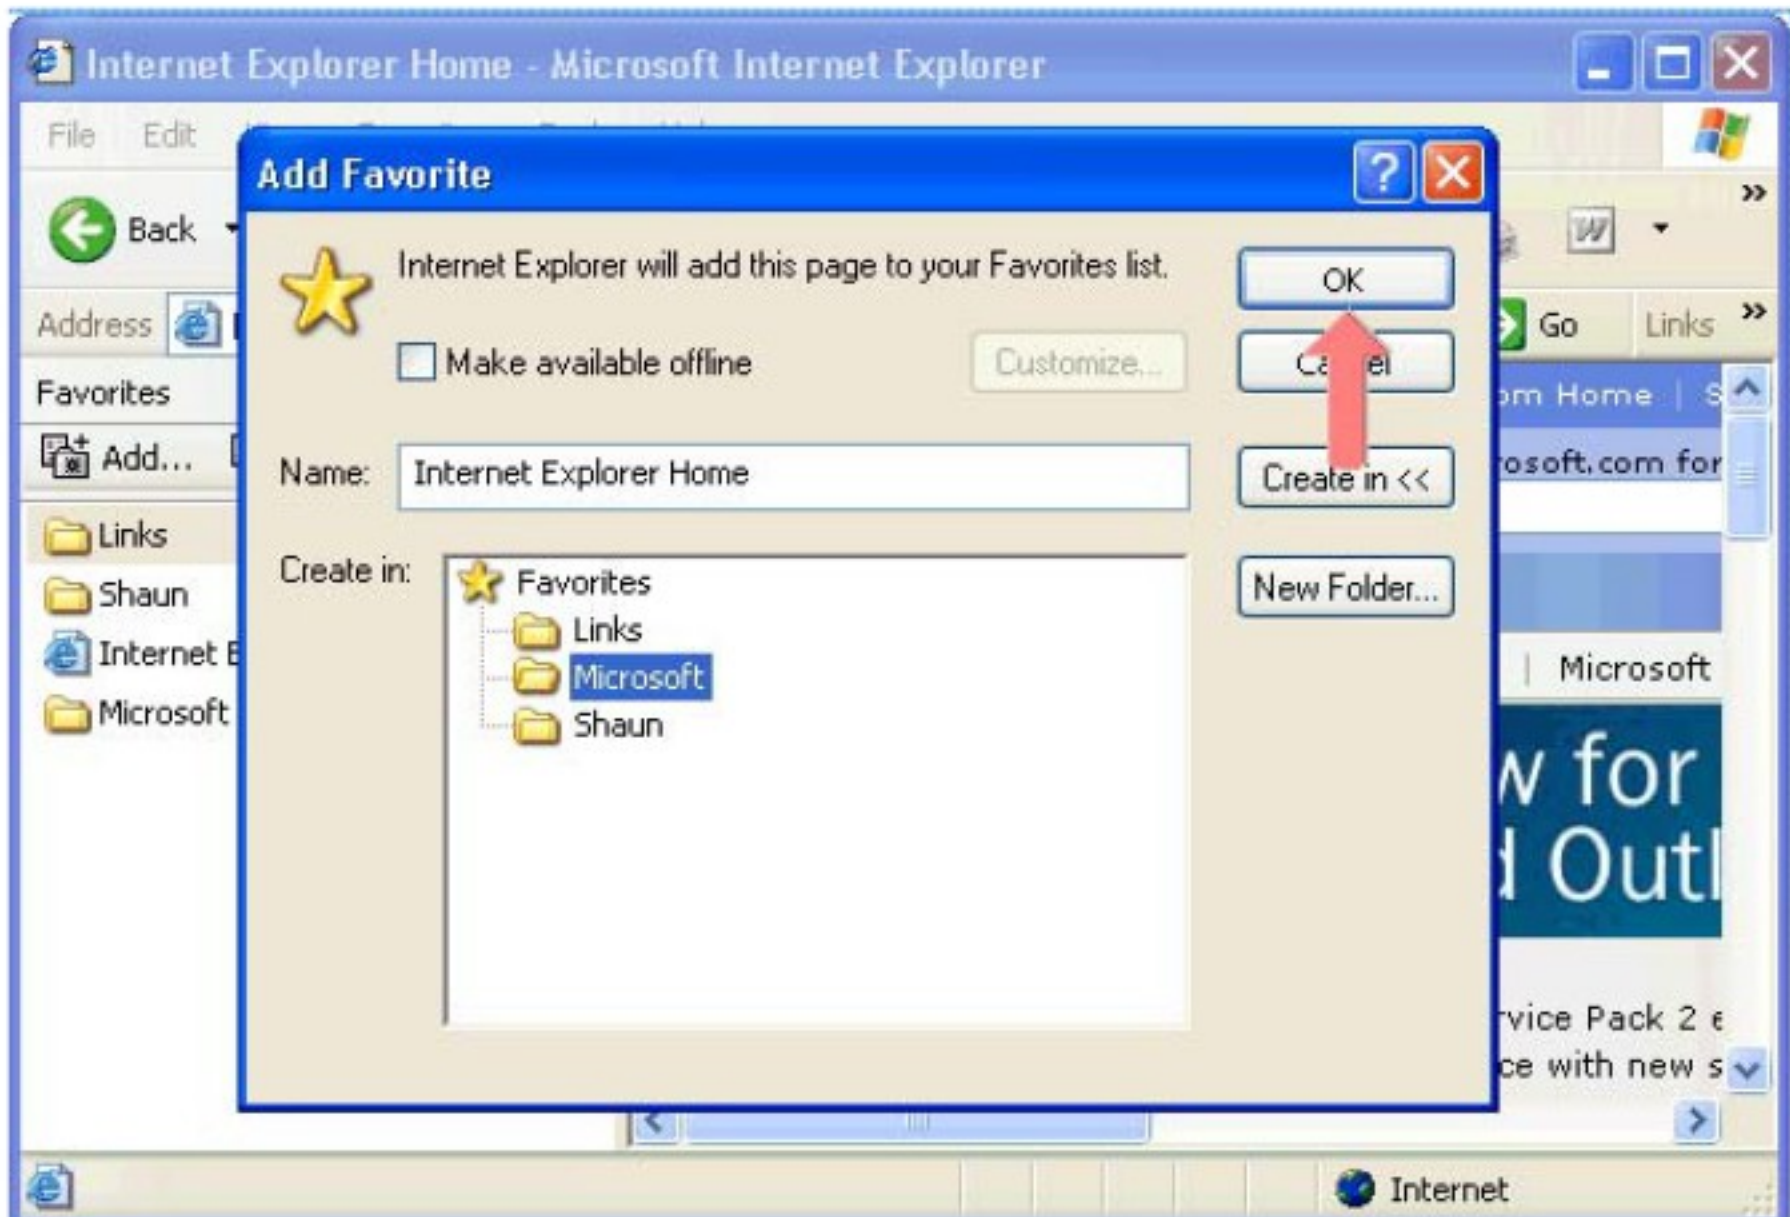

### Step 1 of 4:

Select the folder where you would like to save the website.  
For this example click on "Microsoft".

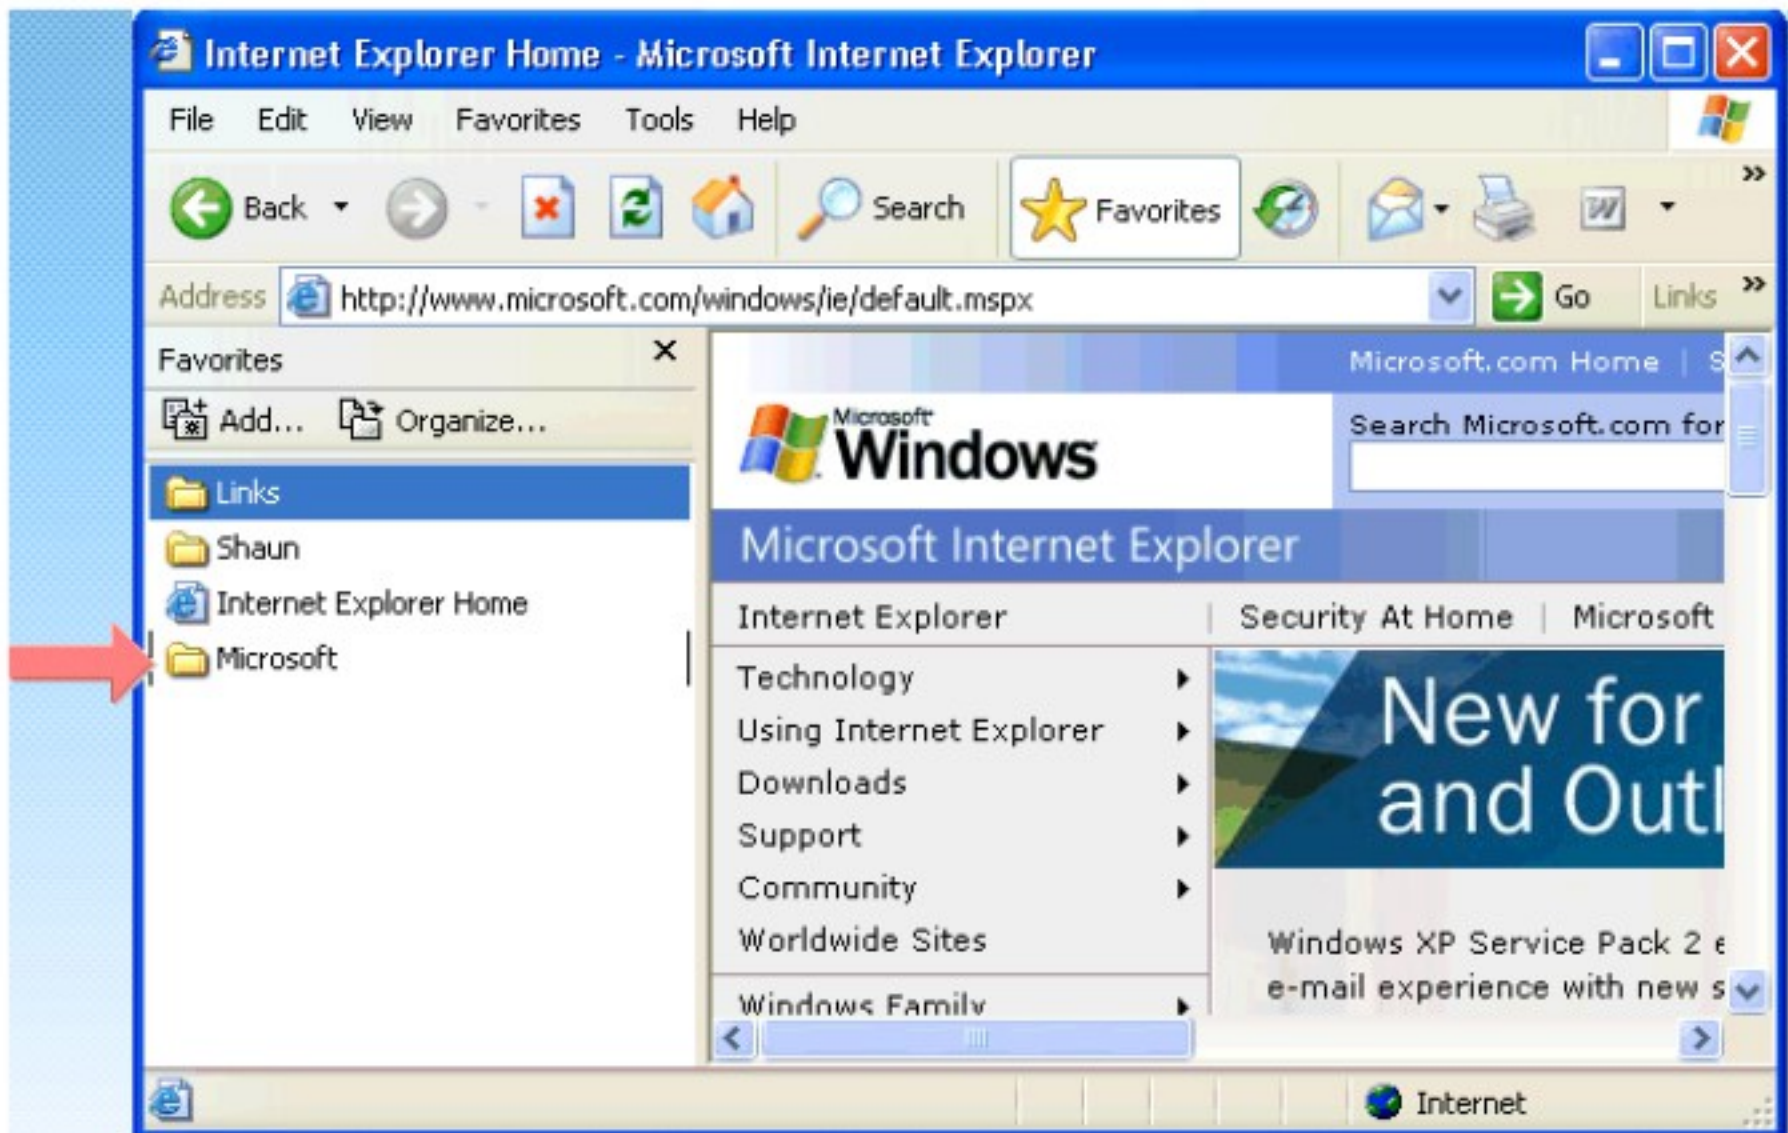

## Step 2 of 4:

Click on "Ok".

## Step 3 of 4:

Click on the "Microsoft" tab.

## Step 4 of 4:

The website link will now be displayed.
