

Purchase a pre-paid Telkom SIM card

Purchase a Telkom Prepaid SIM card at any retailer or Telkom store (they are normally available from as little as R0.99). You can add up to five SIM cards. Your first TI Mobile SIM activation is free; additional SIM activations will be charged a once-off fee of R9.99 per SIM. Since you're already a Telkom fixed-line customer, you don't need to RICA the SIM card; we'll automatically link it to your profile on our system.

If you run out of TI Mobile data you can top it up. [Click here](#) for easy step-by-step instructions. You'll find that the data is very cost-effective. For example, an additional 5GB of mobile data will cost you only R195 (valid until the end of the next calendar month)!
