

Telkom Product Terms and Conditions

The new Generation FreeMe Postpaid and TopUp mobile plans

1. Telkom Mobile Standard Terms and Conditions apply (full details can be found on <http://www.telkom.co.za/sites/aboutus/regulatory/termsandconditions/>). The new generation FreeMe services subscribed to under a company or business name from Telkom Mobile will also be subject to these product-specific terms and conditions.
2. The new FreeMe Postpaid and TopUp product offering will be available as a new 24-month contract with a device/or promotional deal or on a SIM-only plan (no device included) on a month to month basis. Once the contract has matured, the service shall continue to run month-to-month until such time the customer decides to renew, migrate, convert or terminate the service. After expiry of contract a 30-day notice period for termination will apply for both parties, i.e. customer and Telkom.
3. At the time of maturity of the contract (or applicable promotional period) any additional promotional data, minutes, discounts added to the contract will expire and the customer will be charged the SIM Only standard plan on a month to month rate.
4. The existing Telkom Mobile conversion, migration and termination business rules apply. Customers cannot migrate from the new generation FreeMe plans to the old FreeMe or any earlier legacy plans previously offered by Telkom from the date that the new generation FreeMe is introduced to the market.
5. This offer is available to all new and existing Telkom Consumer and Business customers and supports mobile number port-in.
6. Functionality such as Port-In shall be available to customer taking up either the generation FreeMe Postpaid or TopUp plans.
7. All International Roaming and International calling rates, as currently in use, shall remain in place for the new generation FreeMe Postpaid and TopUp plans.
8. The new FreeMe Postpaid subscribers shall be directed to an out-of-bundle page once the inclusive Data bundle has been depleted, notifications shall be sent for Data bundle depletion. The subscriber shall select an option to either go out-of-bundle or purchase a data bundle.
9. The daily Balance Enquiry requests via *188# on FreeMe plans shall be limited to five (5) requests per day.
10. Proration calculations will apply to all plan allowances as well as rental charges if the plan is activated during the month.
11. A Once-off activation fee will apply for all mobile deals as well as month-to-month contracts.

12. All available Value-Added Services such as (FreeMe Bundle, FreeMe Promo Voice Bundle, Social Bundle, Data Bundle, Voice Bundle, SMS Bundle and LIT Bundle) shall remain in place for customers to purchase using self-service.
13. Functionalities such as Call Forward, Call Waiting, Call Barring, Airtime Transfer, Data Transfer, remains in place for the new generation FreeMe Postpaid and TopUp plans.
14. All current Voice Bundles available on USSD self-service shall be available to the new generation FreeMe Postpaid, TopUp and Legacy Plans.
15. FreeMe calls to Telkom Fixed and Telkom Mobile (On-network) numbers exclude calls to Telkom non-geographic premium numbers, like Sharecall and Smartaccess numbers (e.g. 0862, 0861, 0860). All non-geographic numbers to other operators shall further be excluded from the FreeMe Telkom call benefit.
16. On-network calling (calls made to Telkom Fixed and Telkom Mobile numbers) will consume from On-network minutes first, once depleted On-network calls will consume from All-network minutes. Once All-network minutes are depleted, On-network calling will be charged at an applicable out-of-bundle voice rate of R0.70 on per second billing.
17. All-Network calling will include numbers that are serviced by National Mobile Operators and Telkom non-geographic numbers, like Sharecall and Smartaccess numbers (e.g. 0862, 0861, 0860) will consume from All-Network minutes. Telkom shall not be liable for charges incurred where the subscriber dials non-qualifying numbers. Any other number, be it a premium rated, international and unknown number is excluded from the product minute allowances and will be charged at the applicable rate.
18. Calls to Value Added Network Services licensees (hereinafter referred to as "VANS") are included in All-network calling. Telkom reserves the right to charge for VoIP calls at applicable out-of-bundle rates if abuse and/ or international bypass is detected.
19. All-network calling will only consume from the All-network minutes allocation, once depleted All-network calling will be charged at an applicable voice rate of R0.70 on per second billing, it will not consume from the Telkom On-network minute allocation.
20. Multi-SIM functionality will be made available to the new generation FreeMe Postpaid plans. Multi-SIM functionality is not permitted on the new generation FreeMe TopUp plans.
21. Data for WhatsApp include data used on WhatsApp & Viber platforms for calling, sharing and texting. Once data for WhatsApp is depleted, the customer will consume from normal data or shall be charged at applicable out-of-bundle data rate R0.30 per MB. Usage notifications shall be sent to customers at 50%, 80% and 100% thresholds.
22. Data for Streaming shall be used across Telkom content partners for both video and music. The Telkom content partners currently include YouTube, DStv Now, Showmax, Netflix SA, Google Play Movies, Google Play Music, Simfy Africa and Apple Music. Once Streaming data is depleted, the customer will consume from normal data or shall be charged at applicable out-of-bundle data rate R0.30 per MB. Usage notifications shall be sent to customers at 50%, 80% and 100% thresholds.
23. The FreeMe-Unlimited Data benefit is governed by a Fair Usage Policy (FUP) of 30GB per month. The speed shall be throttled to 128kbps if a subscriber reaches a data usage soft cap of 30GB before the end of the month. The speed shall be reset to normal speed at the beginning of each calendar month, alternatively, subscribers can purchase once-off or recurring data bundles.

24. All data traffic on FreeMe-Unlimited that directs toward Peer-to-Peer sites or uses torrent applications will automatically be throttled to 128kbps upload and 128kbps download.
25. The allocated Data for Streaming will provide video and music streaming capped at a maximum speed of 1.5Mbps. Customer can view in the lowest quality setting within the respective Content Partner platforms (LIT partners).
26. The new FreeMe benefits may only be used for private and personal use and cannot be used for commercial purposes. This offer is only applicable for person-to-person usage and the SIM associated with a FreeMe product shall not be used for purposes of least cost routing, server hosting, Internet cafés, Wi-Fi hotspots, international bypasses, payphones or call centres. Failure to adhere to these conditions shall be a breach of these product terms and conditions and Telkom Mobile shall have the right to immediately suspend the services.
27. Telkom will regard the exceptions mentioned in 26. above as fraudulent activity and suspend the service immediately pending an investigation. (Note: Telkom reserves the right to suspend/terminate this service when any fraudulent activity is suspected).
28. Telkom reserves the right at any time to terminate this offer without prior notification.
29. Telkom will place any amended terms and conditions on Telkom's website at the following URL: <http://www.telkom.co.za>; after which it will be deemed incorporated into the Agreement and bind the Customer from the date that the amendment was listed on the abovementioned site.

FreeMe Data validity

30. The validity period of All-networks Inclusive Data allocations on FreeMe plans such as 500MB, 1GB, 2GB, 4GB, 7.5GB, 12GB, 20GB, and FreeMe-Unlimited will expire at the end of two consecutive calendar months.
