

TELKOM STANDARD TERMS AND CONDITIONS FOR INTERNATIONAL ROAMING

Definitions:

International Roaming: International Roaming is a service which allows customers to make use of;

- calling services i.e. (make and receive calls),
- emails,
- messaging service and browse the internet while in countries outside the borders of South Africa.

GENERAL TERMS AND CONDITIONS: INTERNATIONAL ROAMING

1. All Telkom Standard Terms and Conditions apply (full details may be accessed at <http://www.telkom.co.za>)
2. Telkom reserves the right to amend this offerings terms and conditions, from time to time. Such amendments will be placed on Telkom's website at the following link: <http://www.telkom.co.za>; which will be deemed incorporated into the services agreement and bind the Consumer from the date that the amendment was listed on the abovementioned site.
3. The service application process will only commence on the presentation of necessary application form for contract customers. Prepaid and top up customers can now make use of USSD (*180#) Telkom Self-service app and prepaid app to activate the service.
4. Telkom mobile subscribers can make use of roaming services in the destinations where roaming partners exist. Please check available roaming partners on: <https://secure.telkom.co.za>
5. Telkom shall not be held responsible for failure to access internet at locations where Telkom does not have coverage and the service experience may change from time to time. Therefore, the onus is up to you, the customer to verify whether there will be coverage where you are visiting by visiting <http://www.telkom.co.za> to confirm available roaming partners.
6. Telkom is not liable for any loss or damage to your property or equipment arising out of the provision and use of this service.
7. Telkom will not incur any liability whatsoever for any loss or damage as a result of any use, authorized or unauthorized, resulting from virus attacks, security vulnerabilities or loss of information.
8. International roaming may change from time to time due to input cost received from roaming partners influenced by the exchange rate fluctuations. New rates are updated on the website under roaming rates. Please make sure you have checked the available International roaming price list on <http://www.telkom.co.za> under the tab: International services.
9. Customers are advised to understand and accept to the terms and conditions in order to make use of the international roaming service.
