7. The Inclusive Night Surfer Data shall be valid to be used between Midnight – 7am.
8. RICA shall apply.
9. A Once-off SIM and Connection fee of R99 shall apply. .
10. The 40GB SmartBroadband Wireless offers shall be available as a 24-month SIM only plan.
11. The 40GB SmartBroadband Wireless offers shall be available on a 24-month contract that includes an LTE/LTE-A WiFi router at an additional cost.
12. The 40GB SmartBroadband Wireless offers shall be available on a 24-month contract that includes an LTE/LTE-A WiFi router and a MiFi at an additional cost.
13. The 40GB SmartBroadband Wireless customer can add an extra SIM to use in a MiFi to share data with family.
14. The subscriber who deplete their Inclusive allocated data bundle can buy/top-up with the LTE/LTE-A Once-off data bundles which expire within 61 days for Anytime data and within 31 days for Night Surfer data from the date of activation. For the LTE/LTE-A Once-Off data bundle on 3GB + 3GB* shall expire in 14 days for both Anytime and Night Surfer bundles from the date of activation.
15. The 40GB SmartBroadband Wireless customer who purchases/top-up with the Once-Off LTE/LTE-A bundles (which expires within 61 days for Anytime data and within 31 days for Night Surfer data from date of activation) in the middle of the month, if not completely utilized will be permitted to carry over into the next month, the remainder of the data bundle will expire on the set expiry date.
16. The 40GB SmartBroadband Wireless customer who purchases/top-up with LTE/LTE-A Once Off data bundle (which expire after 14days for the Anytime data and Night Surfer data from date of activation) towards month end, if not completely utilized will be permitted to carry over into the next month, the remainder of the data bundle will expire on the set expiry date.
17. At the beginning of the new month, 40GB SmartBroadband Wireless customers, shall be allocated the 40GB Anytime data which is data and 40GB Night surfer data.
18. The allocated Inclusive Anytime data will always be the primary bundle that will be consumed first, and there-after the remainder of the anytime data bundle carried over of the LTE/LTE-A Once-Off bundle if applicable.

Internal Use

19. The SmartBroadband Wireless order of Consumption shall always follow the rules as:
 1. Inclusive,
 2. Recurring
 3. Once -Off LTE/LTE-A
20. Subscription to 40GB SmartBroadband Wireless service is subject to the availability of its LTE/LTE-A network coverage within the specified location and the subscriber will not be able to roam on Telkom Roaming Partner (Vodacom) network.
21. A Sales agent will be able to assist you with checking if your address is in coverage or alternatively you can do it online at <http://www.telkom.co.za/coverage/>.
22. The 40GB SmartBroadband Wireless service is provided as a fixed wireless broadband service for use in a fixed location and should a subscriber relocate, Telkom cannot guarantee and be held liable for lack of network coverage, reliability and throughput outside its specified LTE/LTE-A coverage areas.
23. Should a subscriber use his 40GB SmartBroadband Wireless service for mobility purposes Telkom shall not be liable for lack of LTE/LTE-A coverage or throughput outside of its LTE/LTE-A coverage areas.
24. 3G failover to Telkom Mobile's 3G network will be supported on the 40GB SmartBroadband Wireless service.
25. Telkom shall endeavour to ensure that LTE/LTE-A coverage is available where Telkom stipulates it has LTE/LTE-A coverage. Telkom shall not, however, be held responsible for customers' failure to access the Internet in areas that are not eligible for LTE/LTE-A network.
26. A compatible device is required to use Telkom's LTE/LTE-A services. The maximum speed that can be experienced by the subscriber is dependent on the speed specification of the device.
27. Telkom's LTE/LTE-A network currently supports voice calls; however, a subscriber will be required to contact Support on 081180 through any means of communication available to them to request that the voice capability be enabled on their service.
28. A flat rate of R 0.70 on per second billing basis will apply for any voice call on 40GB SmartBroadband Wireless service, with exception of emergency services (10111, 10177 and 112) and Telkom helpdesk 081 180 which are free from a Telkom Mobile SIM card.
29. SMS is enabled for normal usage, notification and balance enquiry
30. SMS charge is set at 50c/SMS and MMS charge is set at 50c/MMS.
31. The out of bundle rate of R0.30c per MB applies.
32. Data carry over shall apply to the Inclusive Anytime data bundle.
33. Night Surfer Data shall not carry over.
34. Porting in or out shall be allowed.
35. Telkom's LTE/LTE-A network is supported on Telkom Mobile's 2300MHz and 1800MHz LTE/LTE-A network only with failover support to Telkom Mobile's 3G network, and the experience may vary depending on the wall thickness at your premises.
36. Telkom is not liable for any loss or damage to your property or equipment arising out of the provision, installation or maintenance and use of the service.
37. Telkom will not incur any liability whatsoever for any loss or damage as a result of any use, authorised or unauthorised, resulting from virus attacks, security vulnerabilities, or loss of information.
38. Telkom 40GB SmartBroadband Wireless LTE is a wireless service and as such is a best effort service with no guarantees on throughput. There are many factors that can affect the speed of the LTE service such as, but not restricted to, signal strength/distance to tower, number of users on the tower, type of service being accessed on the internet and local PC environment.

Data Validity Rules: 40GB SmartBroadband Wireless

1. The monthly Inclusive anytime data validity period shall expire within two calendar months from the month of allocation. i.e. the Inclusive anytime data allocated to your plans on 01st November will expire on 31st December.

Internal Use

2. The monthly Inclusive night surfer data validity period shall expire in one calendar month from the month of allocation. i.e. the night surfer data allocated to your plans on 01st November will expire on 30th November.
3. The unused Inclusive anytime data on 40GB SmartBroadband Wireless plans shall roll over to the end of the next calendar month. Rolled over Inclusive data will be depleted first before the newly allocated inclusive data is used.
4. The unused Inclusive surfer data on 40GB SmartBroadband Wireless plans shall not be carried over to the next calendar month.
5. Night Surfer data shall not roll over and shall not be transferable.

Data Transfer Rules: 40GB SmartBroadband Wireless

1. The Data Transfer service shall be available to 40GB SmartBroadband Wireless customers. Data Bundles Transfer shall not be allowed to or from other Mobile Operators.
