Data Validity Rules: SmartBroadband Wireless LTE/LTE-A

1. The monthly Inclusive anytime data validity period shall expire within two calendar months from the month of allocation. i.e. the inclusive anytime data allocated to your plans on 1 November will expire on 31 December.
2. The monthly Inclusive night surfer data validity period shall expire in one calendar month from the month of allocation. i.e. the inclusive night surfer data allocated to your plans on 1 November will expire on 30 November.
3. The unused inclusive anytime data on SmartBroadband Wireless LTE/LTE-A plans shall roll over to the end of the next calendar month. Rolled over data will be depleted first before the newly allocated inclusive data is used.
4. The unused inclusive night surfer data on SmartBroadband Wireless LTE/LTE-A plans shall not be carried over to the next calendar month.
i.e. If you are subscribed to a SmartBroadband Wireless 10GB plan which comes with (10GB Anytime Data + 10GB Night Surfer Data) and only utilised 7GB of your inclusive anytime data and 8GB of your night surfer data the remaining 3GB unused anytime data shall be carried over to the following month and the 2GB Night Surfer shall not be carried over.
The 3GB anytime data will be consumed and be depleted first before the new monthly inclusive allocated (10GB Anytime Data + 10GB Night Surfer Data) is utilised.
5. Promotional data and Night Surfer data shall not roll over and shall not be transferable.

B. MIGRATION

RULES:

Customers are permitted to request a migration after 3 months into their contract.

Upward Migrations

1. An upward migration refers to the scenario when the subscriber wishes to move to a package of a higher base subscription than the existing package, during the fixed term portion of the agreement.
2. The subscriber may upward migrate without any penalties at any time during the fixed term agreement subjected to the differences in the base subscription.
3. The subscribers shall retain accumulated deal allocations when doing an upward migration.

Please note the following:

A: The new offer starts immediately after Telkom activates the service upon courier delivery and the customer being informed by the RICA agent. The commitment period for Base to Base will continue until the end of the new commitment period. E.g. Migrate from SmartBroadband Wireless 5GB of 24 months in month 12 to SmartBroadband Wireless 10GB of 24 Months, means that the contract continues from month 12 until month 24 of the new offer, thereafter it will continue on a month to month basis.

B: When migrating from “Base to Deal” and “Deal to Deal” and “Deal to Base”, the commitment period shall be set according to the new contract period and the associated terms and conditions.

C: Base refers to the offer or service that is not linked to a device and deal refers to the offer or service that is linked to a device.

Downward migrations:

1. A downward migration refers to the scenario when the subscriber wishes to move to a package of a lower base subscription than the existing package, during the fixed term portion of the agreement.
2. The Subscriber will be liable to pay an admin fee for a downward migration as per clause 4 below, which will be determined at the time of requesting the migration.
3. The Subscriber shall retain accumulated deal allocations when doing a downward migration.
4. Telkom shall, as a downward migration fee, recover the difference in device pricing between the original and the newly selected packages as well as an administration fee.

Please note the following:

A: The new offer starts immediately after Telkom activates the service upon courier delivery and the customer being informed by the RICA agent. The commitment period for Base to Base will continue until the end of the new commitment period. E.g. Migrate from SmartBroadband Wireless 5GB of 24 months in month 12 to SmartBroadband Wireless 10GB of 24 Months, means that the contract continues from month 12 until month 24 of the new offer, thereafter it will continue on a month to month basis.

B: When migrating from “Base to Deal” and “Deal to Deal” and “Deal to Base”, the commitment period shall be set according to the new contract period and the associated terms and conditions.

Discounts that are applicable in the existing products shall not be carried over to the new contract/commitment period.

A: Value added services (VAS) shall only be re-established on customer request and according to the eligibility of the new offering.

B: Customers choosing to migrate to either upward or downward prior to the expiration of the contract/commitment period shall be able to do so; however admin fees and penalties shall be applied by Telkom, where applicable.

Early Terminations:

1. Early terminations refer to scenarios where the subscriber wishes to terminate the agreement prior to the agreement expiry date.
2. The subscriber shall be liable to pay upon early termination or cancellation of the contract, where applicable, any associated costs such as administration charges, outstanding device costs, service charges etc.
3. The early termination/cancellations fee will be calculated at the time of requesting the early termination.

Service Conversions:

1. This refers to scenarios where subscriber wishes to change from the post-paid account to either a hybrid account or a prepaid option.
2. Early termination shall be applicable, but the subscriber shall be permitted to retain the originally assigned mobile number as allocated to, or ported over by Telkom Mobile.
3. When a subscriber converts from a prepaid product offering to a post-paid product offering, all free resources such as data deals, messaging deals shall be retained.
4. Upon signup and activation of a mobile contract, customers shall not be permitted to convert to another offering within a 3-month period, from such contract activation.
